

Victory Garden Completed At the Des Moines VAMC

On Tuesday, July 25, 2017, the Victory Garden, completed by the veterans from the Des Moines VAMC, was recognized by a wonderful celebration of staff, donors and visitors present. Laura Kendrick with Voluntary Services hosted the event with refreshments provided after the ceremony. It was a pleasure to have attended along with Past Department President Sharon Anderson.

The Honor Guard was provided by the Baldwin-Patterson Post.

This is a project that some of the units may have donated tools and other items to for the purpose of growing and maintaining the beautiful garden.

If any of you are ever at the Des Moines VAMC, please be sure to go visit the Victory Garden located in front of Building 6M next to the Domiciliary.

Mary L. Sebben, ALA Representative, Des Moines VAMC
