

# Volunteer Opportunities

August 20, 2018

**Task Team Member:** Volunteers assist Veterans and visitors in finding their way around the hospital. This assignment does involve pushing wheelchairs and requires an additional orientation.

**Palliative/Hospice Care Volunteer:** Volunteers visit with inpatient Veterans and their families, participate in social/recreational activities, meet monthly to learn from staff and each other, and may sign up for afterhours/on call visiting list.

**Clinic Waiting Areas:** Volunteers visit each waiting area to provide light housekeeping duties. Updating and removing magazines, straightening and wiping down side tables, replenishing books and throwing away trash items left behind.

**Coffee Cart:** Afternoon volunteer needed to share treats and drinks with outpatient Veterans waiting in clinical areas.

**Radiology:** (Tuesday/Wed./Thursdays) Volunteer will assist Veterans traveling to and from Radiology in wheelchairs, visit with Veterans and their families while they wait, straighten and wipe down waiting areas, and assist staff with tasks.

**Veteran History Project:** Volunteers interview Veterans with a prepared list of questions. Following the interview, volunteer will create a history document using a specific design program. The interview document will be laminated and given to the Veteran and scanned into his/her medical record.
